

COVID-19 UPDATE to CONDITIONS OF ENTRY

Welcome all members and patrons to Barnwell Park Golf Club. We are pleased to Announce our reopening on Monday 11th October under the guidance of New Public Health Orders.

As you are all aware, we are dealing with the effects of the COVID-19 pandemic, an infectious disease caused by a newly discovered coronavirus. Most people who fall ill with COVID-19 will experience mild to moderate symptoms and recover without special treatment.

As part of our operating procedures, we aim to ensure members and visitors are aware of the Covid Safe standards we have implemented within our Club to ensure they are kept as safe as possible whilst on the premises.

Every endeavour is made to:

Clean the Club regularly and thoroughly.

- Restructure the internal layout of the Club to allow for physical and social distancing.
- Limit the number of people in the Club at any given time in line with Government requirements.

Members and visitors can help keep the Club Covid Safe by:

- Always wearing a mask within the Clubs, unless eating and/or drinking whilst seated.
- Washing your hands often with soap and water, including before and after eating and after going to the toilet.
- Use alcohol-based hand sanitisers supplied when you can't use soap and water.
- Avoid touching your eyes, nose, and mouth.
- Use EFTPOS where possible.
- Avoid congregating and keep physical and social distance as much as possible.
- Avoid touching, shaking hands or hugging.
- Ensure good personal hygiene when sneezing and coughing by covering your coughs or sneezes with your elbow.

Covid Safe Marshals (Club employees) will always monitor the club to ensure physical and social distancing is being undertaken. The set-up and structure within the Club has facilitated 1.5 metre social distancing, including the positioning of furniture and the use of gaming machines. Please ensure furniture is left in position and you comply with the requests of the Covid Safe marshals.

The symptoms of Covid-19 include coughing, sweating elevated temperature or shortness of breath. If you are unwell, we request you leave the Club immediately.

Conditions of entry including requirements for NSW Service APP (QR's) check-ins will be displayed on Club Entrance(s), the Club website and where relevant, Club social media.

BPGC Staff will take reasonable steps to prevent unvaccinated patrons entering their premises. Exemptions will apply to persons who cannot be vaccinated for medical reasons or because of their age to ensure that they are treated fairly.

When asking to see proof that a patron has been vaccinated or has a valid reason for not being vaccinated. BPGC Staff should generally inform patrons (verbally) why they are asking for that Visual Confirmation of that information (i.e., to manage BPGC work health and safety risks and to comply with any applicable NSW Public Health Order) & whether the NSW Public Health Order requires them to answer that question, and who might be provided access to any record made of their responses.

BPGC will not be storing or holding in storage any record of any Individual's own Private Medical Status. (Evidence of Vaccination). BPGC acknowledge that Evidence of Vaccination (or any related Exemption) is a requirement of entry only and those details will be used solely for the purpose of granting the patron access to the premises only and is required by the current Public Health Order.

How will the Club know my proof of vaccine or medical exemption is authentic?

Completely at our discretion, and we solemnly appreciate everyone's cooperation during this difficult time. The Club may attempt to verify that your "proof of vaccine" is authentic & we remind all patrons and guests that it is a federal offence to falsify this information.
